

AREAS OF THE PENITENTIARY OPEN FOR PARANORMAL INVESTIGATIONS

- Approved public spaces accessible during both normal tour hours and paranormal investigations.
- Approved non-public spaces accessible during paranormal investigations only.
- Spaces not available during paranormal investigations.
- Electrical Outlet (110 V)

**Areas of the penitentiary are periodically closed for construction, maintenance, safety inspections and other reasons. The spaces listed as being accessible on this map are the spaces normally open during paranormal investigations; however, they are subject to change without notice.*
