

TERROR BEHIND THE WALLS®

Thank you for your interest in working at Eastern State Penitentiary's Halloween fundraiser event, *Terror Behind the Walls*! Please read and fill out this application very carefully and bring it with you to your **customer service and retail interview**! We will take your photo at the interview, so there is no need to bring a headshot. (If you are also interested in an Acting role, you will need to return on a separate evening for an audition. You cannot audition and interview on the same night.)

Here is some background information about Eastern State Penitentiary and our haunted attractions. It's important that our employees understand the mission behind our operation!

Eastern State Penitentiary

When Eastern State Penitentiary opened in 1829, it was the world's first true *penitentiary* and eventually became a model for 300 prisons worldwide. The original seven cellblocks spread like the spokes of a wheel and had running water and central heat before the White House. Its vaulted, sky-lit cells held many of America's most notorious criminals, including Al Capone. The penitentiary was closed in 1971 and was abandoned. Today, the prison stands in ruin.

Daytime prison tours began in 1994 and a private non-profit organization, Eastern State Penitentiary Historic Site Inc. was formed to operate the site and interpret the legacy of American criminal justice reform, from the nation's founding through to the present day, within the long-abandoned cellblocks of the nation's most historic prison. The penitentiary is open for daytime prison tours seven days a week, year-round.

Terror Behind the Walls (TBTW)

TBTW is a Halloween themed family event providing safe, fun, high quality entertainment that raises funds used to help fulfill the mission of ESPHS, Inc. All proceeds from the event are used to support the preservation and interpretation of this National Historic Landmark.
