

Welcome Chaperones!

Instructions for Chaperones: On this tour you will not only learn about Eastern State Penitentiary's unique architecture and history, but also explore how the prison's history shapes our understanding of prisons today. Use this guide to help your students follow the audio tour, discuss what they learned, and explore the rest of the site.

Before you start...

Ask your group any of the the following questions and write responses down. You will return to these ideas after the tour:

What do you think you will see today?
What do you think of when you think of a prison?
*What does **justice** mean to you?*

Key words your students should know:

- **Incarceration** - the state of being confined in prison
- **Inmate/prisoner** - a person who is confined in prison
- **Rehabilitation** - the act of bringing someone back to health
- **Solitary Confinement** - the act of isolating a person in prison
- **Recidivism** - the act of returning to crime after leaving prison

*****After You Leave...**

Consider the question of change. Eastern State Penitentiary was founded on a principle of change and reform from previous prison systems. Just as Eastern State Penitentiary changed while it was open, our prison system continues to evolve today.

Ask your students to reflect on any of the following questions:

What can prisons today learn from the history of Eastern State?

If you could bring one person to Eastern State who would it be and why?

What changes do you want to see in today's prison system?

Who do you think is most impacted by the prison system and why?

What challenges do you think people in, and transitioning out of, prison face today?

How do these issues impact you or your community?

***We are developing this resource to help chaperones guide students through the audio tour and spark discussion about the prison's history.

After you complete the audio tour, you will be sent a Google Survey asking your thoughts about your experience today. ***Please take 5 minutes to complete that survey and enter a chance to win a free tour for your next group!***
